

Assembly of the **eziMate™** is quick and easy!

Push & remove allen key from the **eziMate™**.

Loosen bolts 'evenly' to widen base

Slide over pole or remove base from **eziMate™** & re-clamp 'evenly' over pole.

Adjust **eziMate™** on pole to suitable position & secure both bolts 'evenly'. Do not overtighten.

Replace allen key into **eziMate™** handle grip.
